

# Smart Heat Volume Meter

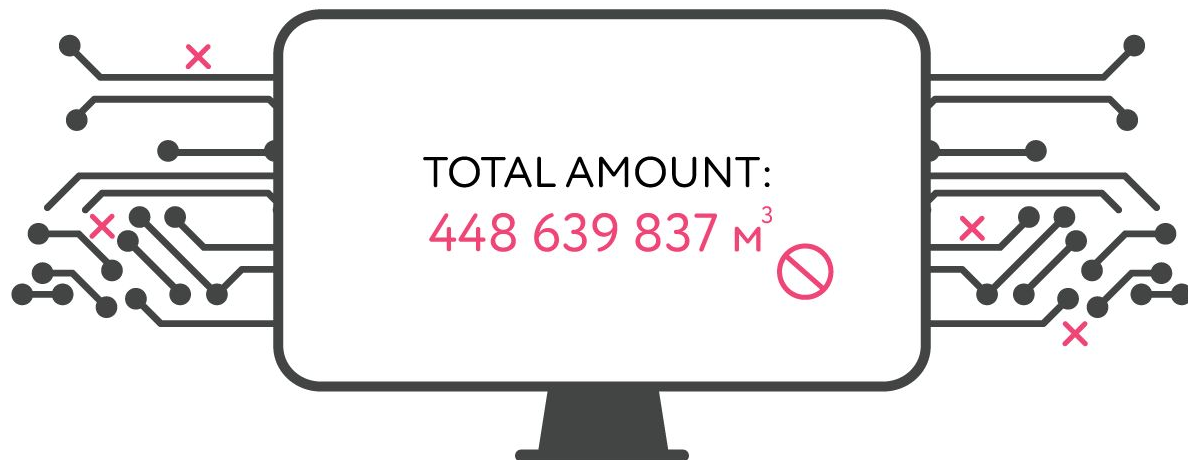

Prepared by:

Yaroslav Morozevych

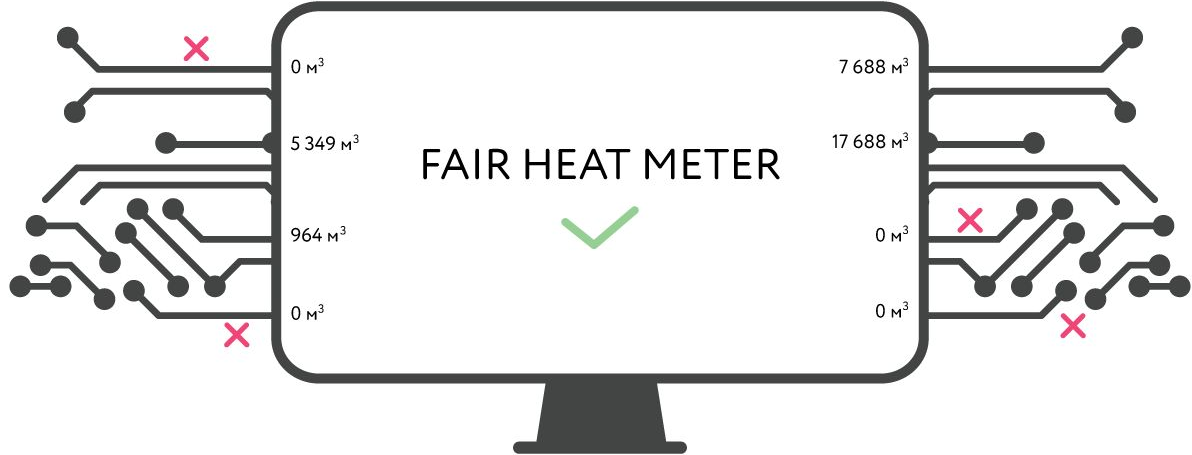

Sofia Myntiuk

Yana Muliarska

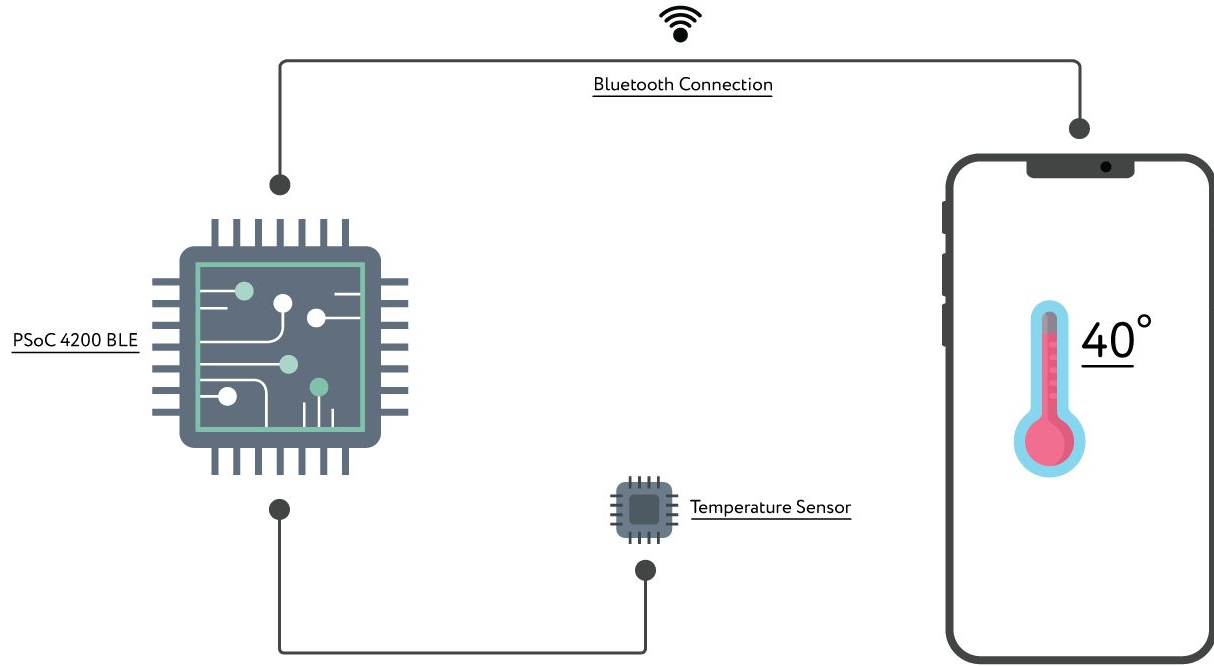

## Problem of centralization

Problem solution

# Project Scheme

### What we have done:

- ✓ Connected device to smartphone
- ✓ Connected a heat sensor to board
- ✓ Learnt to transfer data to smartphone
- ✓ Learnt how to work with PSoC

### What we need to do:

- Find the way to measure heat volume
- Find new BLE heat sensor
- Create a shape for our device
- Deal with the location of device in the room

Any questions?
